

GreenTree Preparatory Academy Family Newsletter

Grades 6-12 | September | Fall

Clubs

Several clubs and activities are now being offered at GreenTree Preparatory Academy. Art and Chess club are offered during middle school lunch and student council is taking place during high school lunch and after school. Congratulations to Heaven Hearn for winning her campaign as the President of middle school. Other sports and activities will be coming soon. The GPA scholars are letting us know what they want, and we are working to make it possible. Finally, we will also be offering tutoring after school in the next two weeks.

3rd Friday

Thank you so much to the families who have selected GreenTree Preparatory Academy as the school of choice for their child or children. We have had an amazing four weeks of school but now comes the time where we need your help. Friday, September 16, 2022 is a very important day and we need your scholars to be in school. We have several events planned on Friday for both middle school and high school. Please be sure to send your child to school to join us for a middle school dance and high school student vs staff basketball game. Prizes will be given out and snacks will be available.

Attendance

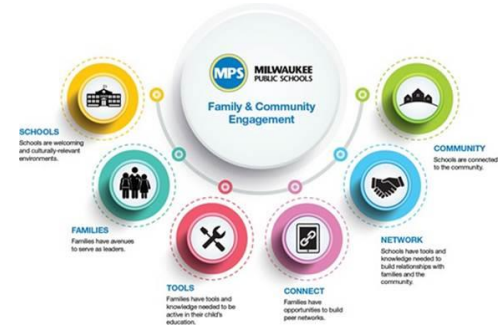

It is imperative that all students attend classes regularly. Please talk with your scholar regarding this matter, as too many students are not attending the appropriate classes specifically in the high school.

GPA Seven Skills for Success:

Collaborative Problem Solving, Critical Thinking, Effective Oral and Written Communication, Ethical Decision Making, Creativity, and Cultural Competency.

For Your Information

Our Roots Run Deep! Plant your Scholar at GreenTree Preparatory Academy and Watch how they GROW!

Homework

Please encourage your child to complete all assignments. Incomplete assignments results in failing grades. However, with your support the staff at GreenTree Preparatory Academy are confident that your child will be successful this school year by completing all assignments.

Electronic Portfolio

All scholars are expected to create a portfolio of student work that best demonstrates their understanding of the seven skills for success and standards-based learning. Scholars will select work according to specific criterion. The scholars will also have to explain and defend their work through collection of portfolio evidence and a group or individual project. Scholars will be scored using a criterion-based rubric. Further information will be available during conferences and open house.

Important Dates

3rd Friday, September 16, 2022
A-Day, Thursday, September 15, 2022.

TODAY'S STUDENTS. TOMORROW'S LEADERS.
Building a body of student leaders who will lead or own tomorrow's businesses.
