

There will be an open admission period each year during which time any interested scholars may submit an admission application. The dates and times for this open admission period shall be established by the school each year and shall end no later than the last day of April for the school year beginning the fall of the same year.

GreenTree Preparatory Academy is now accepting students in grades 6 through 12. All interested families are encouraged to schedule an enrollment appointment to learn about the program, tour the campus, and determine if GreenTree is the best fit for your student. GreenTree Preparatory Academy is a tuition free public charter school. The new student application window for the 2022-23 school year will be open from June 3, 2022 until September 28, 2022. Admission applications for new GPA scholars are submitted through the [Apply Now](#) section on the GPA website.

Applicants are placed on the waitlist if they have been determined to be a match for GreenTree Preparatory Academy, but there are currently no seats available for your scholar. Being placed on the waitlist does not guarantee a seat at GreenTree Preparatory Academy. Typically, we do not call students from our waitlist until the first week of school or the semester has begun. Our Admissions Committee evaluates all aspects of the application. Each application is evaluated separately by two members of the team. The applicant's score is an average of those two scores. Should there be a significant discrepancy among those scores, a third evaluation will be conducted, and a team discussion will be held to determine the best option for that applicant.

**TODAY'S STUDENTS. TOMORROW'S LEADERS.**
